19 Sep 2013 . I've been working on this so it can be fully retextured and the the penis can be a bit more realistic. It's still in its testing . 16 Sep 2013 . Hey everyone, I've been working on this project for a while and just got it up and running. It's still in its testing state so there may be . 10 Sep 2013 . So I've been working on the mod for the last couple weeks and have finally completed it. Check out the screenshots and post up in the comments what you think of this mod. . 5 Sep 2013 . I'm working on an updated version of the sims 3 male penis mod that has complete penis control. Basically you get to control every aspect of the sims penis animation. I'm asking for any comments and feedback. Thanks. 10 Sep 2013 . Hey guys, in order to comply with the Community Content Guidelines of my forums I've removed all the test screenshots from the images folder. Please visit the game's faq for other testing images. 14 Jul 2014 . I have just released my first version of the sims 4 male penis mod. I've added full control over penis rotation and penis length (I'll be using it to create animations and not sexual intercourse). I've also included a preview version of a mod to make nipples visible on women. 8 Aug 2014 . So I've been working on the sims 4 male penis mod and I've finally finished and I'm ready to start testing it. Check it out in my gallery and let me know what you guys think. 19 Sep 2014 . I've been working on a updated version of the sims 4 male penis mod. The major difference in this one is that I've made the penis and testicles biomechanical. With that said it should look much better and much more realistic. Also there is no longer a wait time from the point the penis is erect until you can have intercourse. The mod is basically a male nude bottom replacement that adds 3D penis to the body. The genitals alone look bland with EA skin so I recommend you skin it to make it look more realistic. This one is a test of the animations I've been working on. I added the ability to have the man's arms move with the sims so when the penis is ejaculating the sims arms will come out with cum dripping from their fingertips. In the future I 2d92ce491b
