Your mind immediately goes to, "If they liked the cake, why did they ask me?" The answer is, "Because they know your food." Look at your customer and ask yourself, "What do they love about my food?" and then go back to the recipe and make sure it's how you originally made it. Take a moment to imagine what your customers would love most about your food and then make sure you're delivering what you promise. Your customers love your food because you made it your way. You play to your customer's strengths – offering them fresh, simple and delicious foods. Every time you prepare a dish or bake a cake, you are showing your customer how great you are at your craft. Every time you put your signature on a food item, you're sharing a little bit of yourself. Your 2d92ce491b
