There were only 2 ethernet ports and only 1 USB port (left over from a previous version of Windows) and so I couldn't connect my router to my computer. I found this handy little guide and used it to enable the drivers I needed: Basically I uninstalled the two ethernet drivers (they were left from when I installed the first Win 10 copy I did) and then ran the new drivers installer (from NEW YORK (AP) — Lionsgate, the home of the Hunger Games and the Paranormal Activity series, is teaming with producers of the Broadway show Hamilton for a new TV project. The company announced the project Tuesday that will stream in all of its major OTT platforms. The content will also be available for download on computers and mobile devices. The first season will include eight hour-long episodes. The series will star Michael Cera and produce the breakout performance of Cera's career. Cera is starring in the upcoming family drama For the Birds with Mary Steenburgen, Carla Gugino, Brandon T. Jackson and Geraldine Chaplin. Cera also stars in the upcoming 2d92ce491b
