Written by Madhulika Reddy, favourite 50 c interview question bank written by madhulika reddy, favorite 50 c interview question bank written by madhulika reddy, Favourite 50 C Interview Question Bank for freshers and experienced IT programmers Written by Madhulika Reddy and Dhoka Ratan. The C programming language is one of the best programming languages to learn for a beginner. The book "Favourite 50: C Interview Question Bank" covers a large number of C interview questions that are asked in most of the interviews. There is a link on the top of the page which says "Buy the book". I would recommend you to buy the book as the free ebook version is incomplete. Favourite 50 C Interview Question Bank by Madhulika Reddy, Srikanth Venugopalan is the author of Favourite 50 (0.0 avg rating, 0 ratings, 0 reviews).
