
Phprunner Mobile Template Free Download [Latest]

As a template it is a complete starting point, providing a very reliable first version. You can also use the PHPRunner without purchasing any additional template, this version is named Mobile Lite. It comes in the same price as the Mobile Template but does not have all the design features. License of the Mobile Template The price you pay for the Mobile Template grants you the right to use it in your own mobile websites or web applications (mobile, desktop). Contact us if you want to buy a higher license, for instance for 10,000 licenses, for \$500. Mobile template can be used for commercial purposes. If you use the PHPRunner for mobile web apps, the license is valid even if you do not charge money for the mobile app. Features Mobile Template (paid) Mobile Lite (free) Mobile Template Rebranding Localization Website Builder (paid) Content Management System (paid) Mobile Hosting Service (paid) Mobile app (paid) Application Starter Kit (paid) A Complete Starting Point Mobile Lite Server Side and Client Side Frameworks CMS Website Builder PHP HTML5 CSS3 jQuery PHPRunner (free) CometPHP Comet Server Side MVC PHP5-powered * FREE Mobile Application Mobile Application Starter Kit (paid) What Our Customers Say Christine Campanari CEO FountainVale Mobile Client Website A system designed for mobile clients (iPad, iPhone, Android).
