
Artificial Girl 3 Save File Download

Download

The file has a version number "1.0.00.00". It's a fairly old version, the file has a text file within it which states "Gesture Viewer Downloaded 8/12/09.07:48:31". ..but version 1.0.00.00 has a text file within it which states "Downloaded 11/20/2010" There is also a save file you can download from the "saves" folder inside "C:IllusionAG3datasave". - "BaseFix_1_20_0.zip" is located on the same folder as "dgVoodoo.exe". - the old save file Dolphin is an emulator for the Nintendo 64. There is a lot of different versions in the dolphin. The DolphinVersion or "Dolphin API Version" will be listed near the bottom right of the dolphin. There will be a download button next to the dolphin version. Click the download button, which will lead you to the installation instructions. There will be a text file that states: Download the "BaseFix_1_20_0.zip" file. Download the "DolphinAPI" file (10 or 11 version). Download the "EncounteredError.txt" file. That's all. You are done! Play the game, and press the triangle button!
