Decision on Games The City wants to create a strong local competitive advantage. We will do this by having the best infrastructure, best events, best facilities, and best venues to showcase our game. We need to create a culture where players, sponsors, and clubs will seek out the greatest city for their sport. Our vision for the future is to have a consistent venue selection, strong marketing and promotion, and a world class training environment. Oakland has an exciting history of sports and our city provides a number of venues that are familiar to sports fans. The Oakland Aquatic Center The Oakland Aquatic Center is a state of the art 400 meter pool, Olympic sized diving pool, multi-use aquatic center, and championship aquatics facility. The city of Oakland is working to elevate the Aquatic Center to lead the nation in competitions. Oakland, California The American Heritage School in Berkeley is a great venue for events. Its state of the art facilities coupled with the Bay Area's proximity make for an ideal location. The school has hosted over 500 events including the U.S. Gymnastics Unified Cup and the Elite Women's Invitational in the past 5 years and is committed to hosting top national and international events. The school has a hard surface modern gymnastics floor, artificial turf for taekwondo, grass field for volleyball, and grass field for soccer. The school offers 10 cabanas with 3ef4e8ef8d
