I am a sensual Lebanese-Croatian mixed lady who grew up in Germany. My personal life is a problem, but apart from it, which I want to deal with this time. Recently, I began to feel some inner emptiness. I feel lonely when I am alone and I feel lonely when I feel a loved one next to me. In ordinary life, I am constantly surrounded by people, as I work a lot. But I don't like to be in noisy companies, I don't know how to dance well, I don't speak any language. What will my life be like when I meet my love? Now I work in a store. I love my job and people love what we do, but I can be sad in the evenings because we don't have as many days off as we would like. I love my husband very much and I think he loves me. But sometimes he's so aggressive when we're in trouble, so sometimes I'm a little scared of him. I believe that marriage is a completely different stage of life where I want to meet my soul mate. What music accompanies you now? Recently I listened to Schubert, Chopin and Scriabin. I also have quite a few Shocking Blue CDs. I often listen to instrumental music. Now I'm in love with Gary Cooper, it was very nice for me, so I try to listen to his records as often as possible. My principles: I believe that life
