Free Download EXCLUSIVE**

Box Office: Pushpa:  
The Rise - Part 1  
becomes the 5th  
dubbed film in Hindi  
in South India, which  
exceeded Rs.

According to  
Hindustan Wall Street,  
"Pushpa: The rise is a  
logical development of  
what we started doing  
in both India and the  
UK. The second half

of the film reflects the concept that we embodied in the first, and this is more important than anything- something else. Guns 2 still has the potential to grow and we need to create the conditions for that. It's far more important than anything else. That's why we're so

Journalist Tasamindra Chowdhary sums it up like this: "Even though the single didn't make

Last year, Pushpa's film won the Best Sound Award at the Cannes International Film Festival and was also nominated for Best Film at Cannes.

"Cannon: The rise" also won the Telugu

also without crap, it feels like just actors playing roles. Some moments are not pleasant, but it was very interesting to watch, every moment of the film captures. Of course, in this film there are jokes in places that make you smile, the plot may seem banal, but it is

not. I would like to separately note the musical accompaniment of the film, very beautiful songs that convey the feelings and emotions of the characters. The film is really good, I advise you to watch it. I think that this movie will be in the TOP 10 most favorite among
