

Welcome to the original game and its award-winning expansion StarCraft: Brood War. We have updated our units, buildings and environments. But we stayed true to the way you acted in the original StarCraft. This is a game that you can play by yourself or invite your friends. We've left room for you to manoeuvre. Customize the campaign and campaign games to create your own scenarios. Difficulty levels - from beginner to expert - allow both beginners and experienced players to enjoy the game. We love working on StarCraft: Brood War for you to enjoy again and again.
